**MOTION FOR ENTRY
OF DEFAULT JUDGMENT**

RIVER TERRACE APARTMENTS, LLC,

Defendant.

-----X

NOW COMES the plaintiff and, pursuant to Fed. R. Civ. P. 55, and Rule 55.2 of the Civil Rules for the Southern District of New York, requests that the Court enter default judgment pursuant to plaintiff's Verified Complaint against defendant River Terrace Apartments, LLC ("River Terrace"), for its failure to timely answer or otherwise respond to the Verified Complaint.

In support of this motion plaintiff submits the Affidavit of Sergey Leonidov, sworn to on April 22, 2008, together with the exhibits attached thereto, as if fully stated herein.

As described in the Affidavit of Sergey Leonidov submitted herewith, plaintiff seeks the money owed to it for the construction work it performed at a real property owned by defendant, pursuant to a contract with defendant, and on defendant's consent and direction. By the Verified Complaint plaintiff also seeks a determination that it has a valid mechanic's lien against defendant's property where plaintiff performed the work, and an order that said defendant's property be sold and plaintiff be paid out of the proceeds of the sale.

Clerk's Certificate of default and a proposed form of judgment against defendant are attached hereto.

SERGEY LEONIDOV, having been duly sworn, says:

1. I am a member of the Bar of this Court and am an associate of Peckar & Abramson, P.C., attorneys for plaintiff in the above-captioned action. As such, I am familiar with all the facts and circumstances in this action.
2. I submit this affidavit pursuant to Rule 55.1 and 55.2(a) of the Civil Rules for the Southern District of New York, in support of plaintiff's application for the entry of a default judgment against defendant.
3. This is an action to recover \$149,000.65 for the construction work performed by plaintiff for defendant, on the property owned by defendant and located at 503-519 East 72nd Street, New York, New York (the "Property"). Plaintiff also seeks a foreclosure of the Property pursuant to the mechanic's lien filed by plaintiff with the New York County Clerk.
4. As demonstrated by the documents attached as Exhibit A to plaintiff's Verified Complaint (See, Exhibit A to this Affidavit), there can be no good faith dispute as to liability of defendant for the work performed by plaintiff at the Property. The October 12, 2007, letter

agreement demonstrates that defendant had agreed to pay plaintiff \$220,755.64 in three installments, defendant delivered the first installment in the amount of \$71,754.99, and failed to deliver the remaining two installments, leaving the balance open in the amount demanded in this action, \$149,000.65.

5. Defendant also agreed to a payment of 5% interest should the installments not be delivered on time. The interest should be calculated from October 25, 2007, the date when defendant's second installment was due.

6. This Court has subject matter jurisdiction over this action based on the diversity of the parties and the amount in dispute exceeding \$75,000, exclusive of attorney's fees, interest and costs. Plaintiff is a New York corporation and defendant, according to the public records of the Secretary of the State of New York, is a Delaware limited liability company.

7. This action was commenced by the filing of the summons and verified complaint on March 17, 2008. A copy of the Summons and Verified Complaint is attached hereto as Exhibit A.

8. On March 19, 2008, plaintiff filed with this Court a Notice of Pendency of this action.

9. Defendant was served with the Summons and Complaint, as well as Notice of Pendency, by delivering two copies of said documents to the Secretary of State of New York on March 26, 2008. Return of said service has been filed with this Court on April 4, 2008. A copy of the Affidavit of Service is attached hereto as Exhibit B.

10. A certified copy of the Notice of Pendency, accompanied by a copy of the Verified Complaint, has been filed with the Clerk for the County of New York on April 18,

2008. A copy of the Notice of Pendency as it has been filed with New York County Clerk is attached hereto as Exhibit C.

11. Based on March 26, 2008, service date, plaintiff's deadline to answer or otherwise respond to the Verified Complaint was April 15, 2008.

12. As of the date of this affidavit, plaintiff failed to serve and/or file an answer, or otherwise respond to the Verified Complaint and defend this action.

13. Nor did defendant seek and/or obtain an additional time for such response.

14. On April 22, 2008, the Clerk of this Court issued Clerk's Certificate concerning defendant's default. A copy of the certificate is attached hereto as Exhibit D.

15. Defendant, a limited liability company, is not an infant, in the military service, or an incompetent person.

16. The disbursements sought to be taxed have been made in this action or will necessarily be made herein.

WHEREFORE, plaintiff requests the entry of Default and the entry of the annexed Judgment against defendant.

8. Pursuant to a written agreement dated April 13, 2006, Catalyst agreed to manage certain labor, material and services required for conversion of the Property into a luxury condominium building (the "Project").

9. Thereafter, Catalyst entered upon the performance of the agreement and duly performed all the terms and conditions thereof on its part to be performed, except to the extent that it was interfered with or prevented from performing by River Terrace.

10. Pursuant to said agreement and for approved extra and additional work, Catalyst earned the sum of \$220,755.64, of which \$149,000.65 has been unpaid to Catalyst, with applicable interest thereon.

11. Defendant made one-time payment of \$71,754.99 to plaintiff against the original \$220,755.64 balance and thereafter failed and refused to pay the remainder of the outstanding funds.

12. By an agreement dated October 12, 2007, true and complete copy of which is attached hereto as Exhibit A, defendant conceded and agreed that the above-stated amount of \$149,000.65 is owed to plaintiff.

15. 16. On or about January 23, 2008, a copy of said notice of mechanic's lien was duly served on defendant River Terrace by certified mail, return receipt requested. Proof of such service was duly filed with the Clerk of the County of New York on January 23, 2008.

17. By reason of the foregoing, Catalyst acquired and now has a lien against the Property in the sum of \$149,000.65, together with appropriate interest, costs and disbursements thereon.

18. On information and belief, no persons or entities other than Catalyst have or claim to have a lien against the Property either by way of mortgage, judgment, lien or otherwise, as to which lien's validity and parity to Catalyst's lien Catalyst seeks a determination.

19. Catalyst's lien and the claim on which it is based have not been paid, waived, cancelled or discharged, and, on information and belief, no other action or proceeding, either at

law or in equity, has ever been brought to foreclose Catalyst's mechanic's lien or to recover Catalyst's claim herein or any part thereof.

WHEREFORE, Catalyst demands judgment against River Terrace as follows:

- 1) granting Catalyst judgment on its first claim against River Terrace in the sum of \$149,000.65, with applicable interest thereon;
- 2) on its second claim, finding that Catalyst duly acquired and now has a valid lien against the Property in the sum of \$149,000.65, with appropriate interest thereon, or such other sum as may be found due Catalyst at trial in this action, and adjudging that the Property should be sold in accordance with the law and practices of this Court and out of the proceeds of the sale that Catalyst shall be paid the amount of its lien, with applicable interest; and
- 3) granting such other and further relief as the Court deems just and proper, including the costs and disbursements incurred in this action.

For A Second Claim Against River Terrace

14. The real property for which said management of labor, equipment and materials was performed and supplied by plaintiff, and which at all times mentioned herein was owned by River Terrace, is situate in the County, City and State of New York, and is more particularly described as 503-519 East 72nd Street, a/k/a 504-518 East 73rd Street, New York, New York, Block 01484, Base Lot 0005, Lots 1001-1366 (the "Property").

15. On or about January 23, 2008, and within eight months after the performance and furnishing of said labor, material and services, Catalyst duly filed a notice of mechanic's lien, in writing, in accordance with the law, in the Office of the Clerk of the County of New York, in which County the Property against which the lien is asserted is situate, and said lien was duly entered and docketed by the Clerk of the County of New York in the lien docket kept in that office.

16. On or about January 23, 2008, a copy of said notice of mechanic's lien was duly served on defendant River Terrace by certified mail, return receipt requested. Proof of such service was duly filed with the Clerk of the County of New York on January 23, 2008.

17. By reason of the foregoing, Catalyst acquired and now has a lien against the Property in the sum of \$149,000.65, together with appropriate interest, costs and disbursements thereon.

18. On information and belief, no persons or entities other than Catalyst have or claim to have a lien against the Property either by way of mortgage, judgment, lien or otherwise, as to which lien's validity and parity to Catalyst's lien Catalyst seeks a determination.

19. Catalyst's lien and the claim on which it is based have not been paid, waived, cancelled or discharged, and, on information and belief, no other action or proceeding, either at

law or in equity, has ever been brought to foreclose Catalyst's mechanic's lien or to recover Catalyst's claim herein or any part thereof.

WHEREFORE, Catalyst demands judgment against River Terrace as follows:

- 1) granting Catalyst judgment on its first claim against River Terrace in the sum of \$149,000.65, with applicable interest thereon;
- 2) on its second claim, finding that Catalyst duly acquired and now has a valid lien against the Property in the sum of \$149,000.65, with appropriate interest thereon, or such other sum as may be found due Catalyst at trial in this action, and adjudging that the Property should be sold in accordance with the law and practices of this Court and out of the proceeds of the sale that Catalyst shall be paid the amount of its lien, with applicable interest; and
- 3) granting such other and further relief as the Court deems just and proper, including the costs and disbursements incurred in this action.

Re: River Terrace Apartment, LLC with phb Catalyst Group, Inc.

Dear Tony:

As discussed, attached please find the (1) Partial Waiver of Lien and (2) Final Waiver of Lien in connection with the settlement of amounts to be paid to your client, phb Catalyst Group, Inc. pursuant to the final invoice they submitted, a copy of which is attached hereto. If you approve the attached forms, I will authorize our client River Terrace Apartments, LLC, to issue a check for the July invoice in the amount of \$71,754.99 in exchange for the Partial Waiver of Lien executed and notarized by your client. Thereafter, we will deliver checks for the August invoice (\$90,595.52) and the final September invoice (\$58,405.13) and you will deliver to me concurrently with the delivery of each of the checks executed and notarized Partial and Final Waivers of Lien reflecting the corresponding amounts. Upon final payment, you will have your client execute and deliver in favor of River Terrace Apartments, LLC a General Release.

The timing of these payment will be as follows. Upon your written approval of the attached forms, and delivery to me of the Partial Waiver for July, I will hold the same in escrow and not further deliver it nor shall it be binding on your client unless and until your client acknowledges receipt of the July check. We are prepared to deliver the check immediately. Thereafter, we expect to have the August check available within the next thirty (30) days and we will notify your client when the check is available. Upon delivery to me of an executed and notarized Partial Waiver for the August payment, I will similarly hold it in escrow and upon delivery of the required check for August the partial waiver will be released and binding. The last payment for September is expected within the next forty-five (45) days and the same procedure with respect to the August payment will apply except that your client will deliver to me in escrow a fully executed and notarized Final Waiver of Lien and a General Release in standard form to be held until the final September check is received by your client. In the event the final September check is not delivered to your client within said forty-five day period, our client agrees to pay your client interest on the amount owed for September for the period after said forty-five day period that such payment remains unpaid at the rate set forth in the prior agreement which has been terminated (i.e., 5% per annum).
